A. For average monthly cases and average monthly recipients the sum of the individual programs will not equal the amount shown in this section. An adjustment has been made here to count only once those cases and recipients which receive more than one type of assistance e.g. AFDC and Food Stamps.

B. Assistance to SSI Recipients (ASSIR) is a State & County financial program which supplements Federal SSI payments to State defined standards. Payments are administered by the Social Security Administration using SSI Eligibility criteria. Amounts shown are payments under the ASSIR program. In addition to ASSIR mainetenace payments shown, recipients also receive the following Lifeline Credits.

C. Maintenance assistance only. Medical assistance is excluded.

D. Cases are not reported in ASSIR Program. Therefore, for purposes of this report cases are assumed to be equal to persons.

E. Includes medical assistance.

F. Cuban - Haitian Entrant Program (CHEP) has been discontinued effective this reporting year.

G. Refugee - Resettlement Program (RRP) includes any refugee other than CPP or CHEP.

H. Under this program assistance for heating expenses is provided from November 1 thru April 30. "Automatic" payments are made to public assistance recipients. Non-public assistance recipients are also eligible to apply for assistance. Payment for heating costs is usually made once for the six month period. Therefore the concept of "average monthly" does not apply to this program. During summer months assistance for cooling expenses may also be provided. Total expenditures includes both heating and cooling costs.
